

Participants about  
O'ZBEKinPRINT –  
O'ZuPACK

"Our company has been manufacturing equipment for the production of various types of packaging in the Uzbekistan market for over 15 years. In recent years, we have been engaged in the supply of major lines. We see a great potential here."

**Reinhard Elting - Sales Director /  
Windmoller & Holscher / Germany**

"It is the first year of participating in the exhibition. From our point of view this is the most promising market in the CIS. Already we have a contract, worth approximately \$ 250 thousand, the equipment will arrive in October, for the production of packaging. Now, at the exhibition, we see a very great interest, general feelings – it is a positive and healthy market. "

**Timur Nabatov – Representative  
in the CIS / GN  
Thermoforming / Canada**

We participate in this event every year. O'ZBEKinPRINT - O'ZuPACK is relevant and important. This year, we have noted a number of positive changes in holding of the exhibition, the growing number of exhibitors and expositions, meetings with partners and new business contacts. We have met a lot of customers and partners interested in the services and products of our company. We look forward to beginning of new projects on the basis of the requests received from visitors during the exhibition.
